The automated system of risk rating and reset of ROI which facilitates annual resetting of ROI on the basis of risk rating has come in to force effective from 01/04/2017. Under the new system, the risk rating of all the live loan accounts shall be done on an anniversary basis. Vide this process the accounts will be reviewed and rate of interest will be reset according to the risk rating of the borrowers.

- The borrowers who have availed loan before 01/04/2017 are given an option to switch over to the annual resetting mode by executing a link letter which forms a part of the loan documentation. If the borrower executes the link letter then the reset scheme will become applicable on anniversary basis, i.e. after one year from the month subsequent to month of submission of the link letter (without IAC).
- Those borrowers who are willing to avail the benefit of prevailing card rate shall get their accounts risk rated and reset the ROI after payment of applicable interest adjustment charges (IAC) with link letter. The ROI shall be reset effective from the month subsequent to the payment of IAC and the ROI will continue for one year from the date of reset.
