Key Notes:

- All initiatives restricted to projects within India.
- Minimum-maximum range of % allocation has been assigned, which allows adjustments based on project needs during the year.
- CSR partnerships will be restricted to domestic NGOs/trusts/societies whose financial statements show that their income does not exceed expenditure. Valid NGOs for CSR in India must be registered, compliant, and transparent — specifically holding 12A, 80G, CSR-1 registration, and NGO Darpan ID. Further, the administrative expenses should not exceed 5% of total expenditure.
- Project implementation will be done through CSR team, branch team, valid NGOs or approved implementation agencies.
